Pune, Maharashtra, India | +91 7276693523 | sagarkandelkar389@gmail.com
www.linkedin.com/in/sagar-kandelkar-b42b0b209

PROFESSIONAL SUMMARY

BFSI professional with 4+ years of experience in retail banking operations and customer service. Experienced in banking transactions, fund transfers, fixed deposits, account servicing, cash operations, cheque and clearing activities, foreign exchange transactions, reconciliation, operational controls and customer queries. Hands-on experience in a branch banking environment involving transaction processing, documentation, operational monitoring, customer issue resolution and coordination with branch stakeholders. Looking to leverage practical banking domain experience while developing skills for a future transition into Business Analysis and technology-focused BFSI roles.

PROFESSIONAL EXPERIENCE

HDFC Bank

Customer Care Executive | August 2022 – Present | Pune, Maharashtra

- Handle day-to-day retail banking operations and customer transactions in a branch banking environment.
- Process customer transactions, fund transfers, fixed deposits, account closure requests, DD/MC issuance, salary uploads and other banking services.
- Handle cash receipts and payments, cash balancing, cash bundling and teller-box operations according to established banking procedures.
- Support cheque and clearing operations, including cheque processing, returned-cheque records and cheque-drop-box monitoring.
- Handle retail foreign exchange transactions along with required documentation and operational procedures.
- Monitor high-value and high-frequency transactions and support the handling of transaction-related exceptions.
- Support AML-related activities and transaction monitoring in accordance with internal banking procedures.
- Monitor suspense-account activities and support reconciliation and resolution of operational items.
- Maintain vouchers, registers, confirmations and other required banking records and documentation.
- Handle customer queries, complaints and transaction-related issues and coordinate with relevant branch stakeholders for resolution.
- Support smooth customer flow and day-to-day branch service operations.
- Generate and follow up on leads for banking and financial products including savings accounts, credit cards, mutual funds, insurance, RBI Bonds and foreign exchange products.
- Coordinate with branch team members to ensure accurate transaction processing, documentation and customer service.
